

# All I Can Say

david crowder  
Capo 4

## Verse 1:

G            D/F#   Em                            C2  
Lord I'm tired, so tired from walking  
G   D/F#                            Em    C2  
And Lord, I'm so alone  
G                            D/F#                            Em                            C2  
And Lord, the dark is creeping in, creeping up to swallow me  
G                            D/F#                            Em    C2  
I think I'll stop, rest here awhile.

## Chorus:

G            D/F#                            Em                            C2  
This is all that I can say right now and  
(I know it's not much)  
G            D/F#                            Em  
This is all that I can give.    (repeat)

## Verse 2:

And didn't you see me crying?  
And didn't You hear me call Your name?  
Wasn't it You I gave my heart to?  
I wish You'd remember where You sat it down,

## Verse 3:

I didn't notice You were standing here,  
I didn't know that that was You holding me.  
I didn't notice You were crying too,  
I didn't know that that was You washing my feet,
