Martin Smith

D

**D**                      **D/Bm G**                      **Em9**

Oh Your hands of kindness, are here for me

**D**                      **D/Bm G**                      **Em9**

And I've heard they are silken and can carry me

**G**    **D**    **A**

How I love You

**G**    **D**    **A**

All I am is You

**G**    **D**    **Em9**    (2<sup>nd</sup> x: **Bm-A2/F#-G-Bm-A2/F#-Em9**)

King of love I bow

**D**                      **D/Bm G**                      **Em9**

Oh Your hands of mercy, were scarred for me

**D**                      **D/Bm G**                      **Em9**

And Your body was broken, so that I'd go free

**D/F#**                      **D/Bm G**                      **Em9**

Oh Your love that burns me, deeper than the sea

**D/F#**                      **D/Bm G**                      **Em9**

And the treasure I find here, the Savior's love for me
