Bb C
Hear our prayers
Dm F/A
Take our burdens
Bb C
Calm our fears

Bb C
And God will you make us a people that love you
Dm F
Please take our offerings that we set before you
Bb C
And God hear our prayers that we're lifting up to you
Dm F
And God see our tears that we're struggling to see through

Bb C
God hear our prayers – we lift them to you
Dm F
God hear our prayers – Lord make our hearts true

In our weakness
You remain
When we're broken
You sustain

God hear our prayers as we lift them to heaven
We're praying the angels receive and embrace them
The hopes of the empty, the cries of the broken
We're reaching our hands out and Lord will you hold them
