

In Your Presence

Jason Upton

G D/F# A Bm
In Your presence, all fear is gone
G D/F# A
In Your presence
G D/F# A Bm
In Your presence, is where I belong
G D/F# A
In Your presence

Bm G Em7 A
Father, I am waiting, I need to hear from You
Bm G Em7 A
To know that You're approving of what I say and do

F#m Bm
Cause nothing really satisfies
G A/E
Like when You speak my name
F#m Bm
So tell me that You'll never leave
G A
And everything will be okay

Bm G Em7 A
Father, I'm returning, to things I used to do
Bm G
Cause somewhere on this journey
Em7 A
I think I lost hold of the truth
