

# **RIGHT HERE**

KAT REGESTER

♩=130

*You're right here, You're so near*

*And You said You'll never go away*

*You're right here, You're so near*

*And You said You'll never leave*

*So real, so wonderful is the feeling of Your touch*

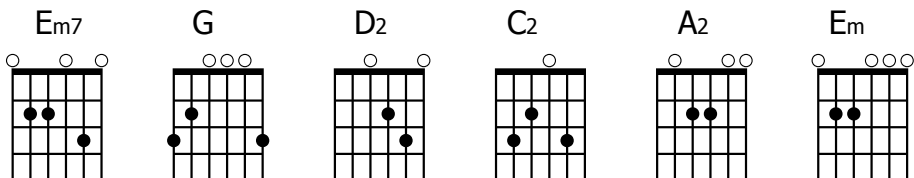

*So near, so full of love is the embrace from God above*

*So clear, so good and just are the words You speak to comfort us*

*You pour out Your Spirit, give us new life; we are free and not lost*

*So gentle, so powerful is your presence on the earth*

*So kind so merciful, by Your grace You have chosen us*
