

Say Goodbye

Capo 3

G C
So say goodbye 'cause you'll be leaving soon

G C
I know it's hard, and I'll be missing you

G
I know its time to say goodbye

I know the road, has worn you down
You never broke, you always held your ground
But now its time to say goodbye

D C
And I know we'll meet again, but I wish it'd never end

D
You don't mean to make me cry

C G
But it's so hard to say goodbye

Em D G
Say goodbye
Say goodbye

And though you're gone I remember now
The time we shared, you're words still ring out
You're never far, you're in my heart

And I know we'll meet again, but I wish it'd never end
You don't mean to make me cry
But it's so hard to say goodbye

Ohhh, Ohhh
Say goodbye
Say goodbye

And I know we'll meet again, but I wish it'd never end
You don't mean to make me cry
But it's so hard to say goodbye

Someday we'll meet again 'cause that's how the story ends
Its so hard to say goodbye
Say goodbye
