I am so tired      of compromising
D    G      C2   D        G      C2
I am so tired      of lukewarm living
D    G   C2   D          G      C2
So here I am      with arms wide open
 D      G    C2  D        G      C2
Lord here I am     my heart wide open

        D      G    C2

        D      G    C2
     Set me on fire
        D      G    C2
     Set me on fire

Em          D             C2
