*intro:*

**Gm Eb Bb Cm7**  
**Gm Eb Cm7 Cm7**

**Gm Gm**  
You know I am simple  
**Eb F**  
Writing you for help no one else believed  
**Gm Gm**  
... I was buried, silent  
**Eb F**  
Lying in a trap no one else could see

**Gm Eb**  
Then I called out, I called you  
**Bb Cm7**  
When you heard you reached down, you found me  
**Gm Eb**  
Grabbed my hand and picked me up, set me straight

You packed my bags and  
**Bb**  
sent me off  
**Cm7**  
sent me off  
**Cm7**  
sent me off

**Eb**  
I can tell you now  
**F**  
Or I can tell you the  
**Eb**  
Day your love  
**F**  
Fills the holes in hell

**Eb F**  
I am your most thankful friend  
**Eb F**  
I am your most thankful friend
