Opening the door to dine with Him  
Traveling to Earth to let us in  
Laying down His glory crown of old  
Setting up the wedding feast to come

Oh we can't contain our love  
Turn it up loud

We love you Jesus  
For so many reasons  
In death and life and freedom  
Even now we say

We love you Jesus  
In and out of season  
In valleys and on top of mountains  
Even now we say

What manner of love is this that you would say  
This sin is mine I'll take to the grave  
Death, O death where is your sting today  
Death is swallowed up in victory
